FISHERMEN GO ON STRIKE

Even Indian Women Who Work in Canneries Are Out.

VANCOUVER, B. C., Aug. 5.—Four thousand salmon fishermen have gone out on strike on the Fraser river. On Saturday the canneries announced that the price of fish would be materially reduced.

Whites, Japanese and Indians have joined in the strike and have called out the Indian women who work in the canneries. Greek fishermen are the only ones not yet on strike.

HEAR CHARLES WEIDLER TONIGHT

At the Auditorium. This, Tuesday evening, Charles Welder, candidate for mayor, will close the primary campaign. If you, with him, believe in making South Bend "a better place in which to live" hear him before you cast your vote. He is a fine and forceful speaker. At this meeting you will learn something about South Bend and some of its so-called political leaders you probably never knew before. It will be a splendid opportunity for you. Bring your ladies with you.—Advertisement.

DR. FLEENER'S STATEMENT OF FACTS

The Specialist Who Devotes His Entire Time to Chronic Diseases of Men and Men Only

I Know How to Cure Nervous and Chronic Diseases of Men

Science is on the wing. Treatments used one year ago are back numbers now. To be a TOPNOTCH Specialist requires not only skill and energy, but capital. The public is not satisfied with a doctor who sticks in the OLD RUT. Neither is it satisfied with the electric belt fakers or the pretending specialists. Nowadays men demand up-to-date treatment, not smooth talk and empty promises. To be a leader now it is absolutely necessary that you possess an EXPENSIVE LABORATORY where scientific investigations can be continually carried on. This I have, and I am prepared to give my patients the benefit of all the GREAT DISCOVERIES as soon as they are perfected. Others watch my announcements and at once they claim to do the same things. Men come to me because they read my STRAIGHT-FORWARD OFFERS, or because I have CURED some of THEIR FRIENDS. I AM PROUD OF MY RECORD.

"914" CURES BLOOD POISON

No Pain, Return Home Same Day

Giving a patient Neo-Salvarsan, "914," Prof. Ehrlich's New German Remedy for Blood Poison. This is the intravenous method, directly into the blood, the only way it should be given.
